Meeting Objectives

- To get to know one another better
- To understand our role as the Village Planning Project Advisory Group and how we will be working together
- To discuss the outcomes of the workshop and how these can help to build a framework (a roadmap) for the project based on sustainability principles.
- To start filling in some detail on our roadmap

The Agenda

1. Introductions (5 min.)
2. Advisory Group (10-15 min.)
   - Role & activities
   - Representation
   - Some Ground Rules
3. Let’s Get Going! (1 hr. 20 min.)

   Sustainability Principles – Working with the outcomes of the workshop to think about a framework (a roadmap) for the project based on sustainability principles.

   - What do we mean by sustainability?
   - What does it mean to have sustainability principles at the start of the process?
   - What could principles look like? How would they help guide the process?
   - A proposed roadmap based on sustainability principles

Discussion

4. 8:45 p.m. Check-in. (15 min.)

   How area we doing? Review of tonight’s objectives and set objectives for the next meeting.
