

FREE EVENT FOR SMALL WATER SYSTEM OPERATORS

Friday Oct. 21st, 2016

Did you know? Non-domestic ground water users are required to apply for a groundwater license and report annual usage under BC's Water Sustainability Act.

10:45 am – 1:45 pm

RDN Water Purveyor Working Group Workshop 2016

Topic: Gathering Data on Your Small Water System to Prepare for Groundwater Licensing

Come to network with fellow small water system operators at this annually hosted workshop; learn from expert and practical speakers about flow and depth monitoring equipment and installations, and helpful management tools. We will focus on the information purveyors will need to prepare for groundwater licensing, and how to go about collecting it. Visit www.wpwg.ca for more info.

Please RSVP for this free workshop to dmcgillivray@rdn.bc.ca or 250-390-6560 by Oct 14th, 2016

2:00 pm – 5:00 pm

BC Ground Water Association Information Session

Topic: Groundwater Licensing Requirements

This ministry-led information session is intended to inform potential licensees on new groundwater licensing requirements under the *Water Sustainability Act*, including the granting of water rights, the rights and responsibilities related to the use of groundwater, and water license application requirements for existing and new groundwater users. Visit www.bcgwa.org for more information.

Register for this free session by Oct 14th, 2016 at www.bcgwa.org/WAS-Info-Sessions/index.htm

***This FREE event will be held at the Quality Bayside Resort,
240 Dogwood St., Parksville. Refreshments will be provided.***
