Support the development of a final concept plan for French Creek Marina as noted in the official Community Plan.

Priorities for public access and RDN management:
- Water Access
- Regional Trails
- Community Parks
- Existing
- Planned Community trail system
- iOS Industrial
- Community Centre
- Civic Centre
- Community Hall
- Park
- School
- Library
- Wetland (Source SEI data)

Map Features:
- Strategy Features
- Water Access
- Future Priority
- Community Trails
- Water Access Site
- Existing
- iOS Industrial
- Community Centre
- Civic Centre
- Community Hall
- Park
- School
- Library
- Wetland (Source SEI data)
Undertake a Water Access site inventory and evaluation study to determine opportunities and strategies for public access and trail management.
Investigate the feasibility of the proposed library.
