Bylaw and Policy Updates Project
Process Diagram

1. **Research**
   - Staff-level (with input from Ministry of Agriculture) review of all RDN policies and Bylaws.
   - Identify obstacles and barriers.
   - Prepare discussion papers that include analysis, issues, best practices, and options.

2. **Refine Options**
   - Review and confirm research with AAC.
   - Host a Board seminar to refine options.
   - Engage the community and external stakeholders.

3. **Recommend Actions**
   - Refine options and identify bylaw amendments.
   - Determine level of support for options.
   - Options with support proceed to Phase 4.

4. **Implement**
   - Develop Bylaw and Policy amendments or proceed with other outcomes.
