Formal Acknowledgement of First Nations Traditional Territory

The Board adopted a motion to acknowledge First Nations traditional territory at the beginning of RDN Board meetings and special events hosted by the RDN.

District 69 Recreation Commission Grants

The Board approved three District 69 Youth Recreation Grant applications totaling $3,965 and eight District 69 Community Recreation grant applications totaling $12,820.

Gabriola Recreation Society Agreement Renewal

Morden Colliery Regional Trail Bridge Report

The Board received the updated feasibility study for the Nanaimo River Pedestrian Crossing at the trail to use as a guiding document for the future development of a bridge crossing within the trail corridor. The Board moved to proceed with design and assessment work under the steel truss bridge option and to vet the equestrian accessible bridge option through local residents and equestrian groups.

Large Scale Burning of Land Clearing Debris

The Board directed staff to write to the appropriate Provincial ministries to urge a ban on large scale land clearing debris burning in electoral areas on municipal boundaries, and that other more environmentally-friendly methods be used.

Bylaw 1250

The Board directed staff to meet with Directors for Electoral Areas A, C, F and H to start discussions on modifications to Bylaw 1250 for owner builders.

Bylaw Amendments to Support Green Building

The Board approved first and second readings of the zoning bylaw amendment and received policy amendments as presented.

Parker Road Well

The Board referred the issue back to staff, with instructions to work with the community and the applicant to address the issues.
