

Request for Proposals - Addendum No.3

French Creek Pollution Control Centre

Stage 4 Expansion Project

Preliminary Design Services

Issued December 13, 2016

This addendum is a compilation of answers to questions received from Proponents up to 12:00pm on December 13, 2016.

1. Question:

Would it be possible to please make the following drawings available:

- Hydraulic profile
- Structural drawings for the ATAD roofs
- Structural drawings for the bridge across Morning Star Creek

Answer:

The requested drawings have been posted to the Project FTP site in a sub-folder titled '*Addendum No. 3*'. Proponents who have submitted the Receipt Confirmation Form may access the drawings from the Project FTP site with the access log in credentials previously provided.

END OF ADDENDUM NO. 3
