Yellowbrick Road Community Park Trail Development Update

E. McCulloch provided a verbal update regarding the trail construction through the newly dedicated community parkland on Lowry’s Rd. The trail has been constructed by the developer and has been approved by RDN parks staff.

1032 Lowry’s Rd Rezoning Update

E. McCulloch provided a verbal update regarding the rezoning application process at 1032 Lowry’s Road. Through the planning referral process, Parks staff have requested that the required five percent park land dedication be accepted and has indicated that the preferred location of the park is adjacent to the existing community parkland which fronts onto Wembley Rd. In regards to amenity contributions, staff has indicated that they would support the construction of a gravel path through the new park connecting the new internal road with Wembley Rd. and Windridge Pl. as well as a monetary contribution towards park land improvement in the area. Parks staff have informed the Ministry of Transportation and Infrastructure that the E&N rail trail head will be located at Lowry’s Rd. and that the community would likely support a separated roadside trail along Lowry’s Rd. to allow people to safely access the rail trail through the community.

Wembley Rd and Area Roadside Trails

E. McCulloch handed out a planning map of the area around Wembley Rd. to the Committee members for reference during the following discussion regarding the potential trail/low traffic road connections in the area surrounding Wembley Rd.

Director Stanhope informed the Committee that he has recently spoken with Michelle Stillwell, MLA regarding the safety concerns on Wembley Rd., specifically in regards to the new Oceanside Elementary School. Stillwell will be advocating for improvements to Wembley Rd on behalf of the community.

Parks staff has been working with the Ministry of Transportation regarding potential separated roadside paths and trails connections in the area. These connections include the following: along Lowry’s Rd from Wembley Rd. (Oceanside Elementary School) to the E & N Rail Trail staging area; construction of the Stanhope Trail from Wembley Rd. to Ackerman; construction of a trail through Sanika Close Community Park, along the Island Hwy, then along the northern undeveloped section of Ackerman Rd. to Oceanside Place/Wembley Mall; and the construction of a trail along undeveloped Ackerman Rd. from Wembley Rd. to Church Rd.
The development of these connections will likely be funded through a variety of ways including developer requirements at time of subdivision, through the Electoral Area ‘G’s Community Works funding, and by the Ministry of Transportation.

R. Horte suggested that staff consider investigating the following:

- whether the undeveloped portion of land at the end of Yellowbrick Rd. at Wembley Rd. be used as a student drop off location in an effort to ease congestion near the school at peak periods;
- if MoTI could do something to stop drivers from going around vehicles on Wembley Rd. who are waiting to turn left onto Crystal Court as well as onto Lowry’s Rd.;
- if permanently opening up the emergency access gate to Ackerman Rd. behind Oceanside Place might ease congestion around Oceanside Place/Wembley Mall, specifically the driveway out to Wembley Rd.

Dashwood Hall Upgrade Updates

Staff informed the Committee that the necessary upgrades to Dashwood Community Hall can be funded with the Electoral Area ‘G’ Community Works funds. Through discussion the Committee felt that it would be more appropriate if the Dashwood community provide the funds and support for the upgrades and renovations to the Hall. Traditionally community halls have always been built and maintained through the sweat equity of the community that uses it. It was suggested that the community could approach local service clubs for their support in funding and managing the project and that the RDN could provide an appropriate level of funding based on the number of residents the hall serves. RDN staff will investigate what amount of funding might be appropriate given the population of the area.

MOVED B. Coath, SECONDED R. Horte to receive the reports.

CARRIED

BUSINESS ARISING FROM THE CORRESPONDENCE/COMMUNICATIONS

L. Gibson to A. Harvey, RDN, Re: Paved pathway joining Dalmatian Drive & Sumar Lane

Through discussion the Committee members felt that there does not appear to be a significant issue with the short pedestrian/cycling connection joining Dalmatian Dr. to Sumar Ln. Gravel is spilling onto the paved road causing a hazard however the committee does not feel as though that is a major concern. If the site was to receive improvements it would require re-grading to reduce the grade change where it meets up with Sumar Ln. The committee feels as though there are higher priority projects already on the work plan.

V. van Meel to J. Stanhope, RDN, Re: Admiral Tryon Blvd. water access improvements

B. Coath and E. McCulloch updated the Committee on the community efforts to undertake improvements to the Admiral Tryon Blvd. water access. This is not an RDN park therefore there is little the RDN can do to mitigate the community’s disagreement as to what should happen at this location.
M. Kraeling to W. Marshall, RDN, Re: Sumar Lane Community Park Funding Request

E. McCulloch has spoken with this community member and has advised that the applicant gather community support for her proposal and to present it at an upcoming POSAC meeting.

D. Martin, to A. Harvey, RDN, Re: Dashwood Community Garden

E. McCulloch has spoken with this community member and has advised that the applicant gather community support for her proposal and to present it at an upcoming POSAC meeting.

COMMITTEE ROUNDTABLE

Director Stanhope invited the Committee to a public open house being held on Tuesday, November 18th at Nanoose Place regarding the Fairwinds Lakes District Regional Park Management Plan.

ADJOURNMENT

MOVED R. Horte to adjourn at 8:30 p.m.

__________________________________
Chairperson
CALL TO ORDER:

Acting Chair B. Coath called the meeting to order at 1:00 p.m.

A. Douglas agreed to take minutes for the meeting. Committee members expressed their preference for rotating this duty.

MINUTES

MOVED M. Foster, SECONDED R. Horte that the Minutes of the regular Electoral Area ‘G’ Parks and Open Space Advisory Committee meeting held December 9, 2013 be approved.

CARRIED

COMMUNICATIONS/CORRESPONDENCE

MOVED A. Douglas, SECONDED R. Horte that the following correspondence be approved:

CARRIED

REPORTS

Monthly Update Regional and Community Parks and Trail Projects June – December 2013

Monthly Update Regional and Community Parks and Trail Projects – January 2014

Dashwood Hall Upgrades Update (verbal)

Further to the December meeting, Parks Services Manager Wendy Marshall provided an update on the requested cost estimates for renovations at the Little Qualicum Hall on Centre Rd.

Accessibility: estimated $16,000 for a ramp, 2nd door and renovations to both washrooms. Estimated cost for plans is an additional $3,000.
Septic: New septic field estimated at $17,500. Currently there is no septic field in place.

The timing and sequence of renovations was discussed, as well as financing options. One option is to phase the necessary projects and finance the work over four budget years, beginning in late summer 2014 through to 2017.

There was also a discussion regarding opportunities for volunteer to participate in the renovations. Some jobs may be open to volunteers; however this has to be determined on a case by case basis, depending on whether specialized equipment or certification is required.

MOVED M. Foster, SECONDED R. Horte that staff be directed to look at financing alternatives and project scheduling, including the possibility of financing the entire Dashwood Hall project at once.  

CARRIED

E & N Regional Trail Update (verbal)

Kelsey Kramer, Park Planner provided an update on the proposed multi-use rail/trail project that will result in 10 km of additional trails between Parksville, Coombs and Qualicum beach. Proposals are being received. Public and stakeholder consultation is planned.

Currently the trail width is 3 m; Mike Foster commented that equestrian use works better with a 4 m width. Federal funding is available for design and construction of these trails. Further to Mr. Foster’s suggestion, Ms. Kramer will contact additional equine stakeholder groups.

Community Parks and Trails Work Plan 214

The finalized Community Parks and Trails Strategic Plan January 2014 was presented

MOVED R. Horte, SECONDED M. Foster that the reports be received.  

CARRIED

COMMITTEE ROUND TABLE

There was a discussion around opportunities for having developers assist with clearing approved parkland while equipment is on site, and before homes are constructed. Staff advised that there is no provision for this under existing legislation; however developers are sometimes willing to participate in the development of community parks in addition to the land dedication.

ADJOURNMENT

MOVED A. Douglas that the meeting be adjourned at 2:10pm.
Elaine McCulloch,
Community Parks Planner, RDN

Dear Ms. McCulloch,

On behalf of interested gardeners in our community, I would like to inform you of our hope for a Community Garden at the Dashwood Park on Centre Rd.

Our vision is to have a shared green space which is maintained by community members for their use and enjoyment. Gardeners would grow food and flowers, share knowledge with community, celebrate through social gatherings, and enhance the green space.

To date I have done the following:
- Recruited members to establish a non-profit society, as all Community Gardens in B.C. must do;
- Been to Seedy Sat. in Qualicum with posters up, and talked to people about the proposed community garden;
- Written approval from the Little Qualicum Waterworks District, that should the garden become a reality, they would supply us with water, the details to be worked out at that time;
- Put up posters on bulletin boards, encouraging interest in establishing the garden;
- Spoken to the editor of the Eyes on B.C. magazine. She has a spot for an article in the Mar. 1st edition. I also have plans to speak to our local paper about an article there.
- Spoken to the past president and founder of the Qualicum Community Garden, and discovered they have an 11 person waiting list.

During the next few months we hope to recruit more members to establish a non-profit society. As a society we can apply for funding from various organizations and corporations.

Also in the next few months we hope to have a written proposal for consideration by P.O.S.A.C. It will include estimates for our start-up costs, for example: fencing, cedar boards for garden beds, and soil. It will also have a plot plan of the Dashwood Park.

Thank you for your time, if you require any further information, please contact me at 752-5127, or email: d.martin248@yahoo.ca

Donna Martin
November 28, 2014

Honourable Todd Stone
Minister of Transportation and infrastructure
PO Box 9055
Stn Prov Govt
Victoria BC
V8W9E2

Dear Minister Stone:

RE: Wembley Road (RDN Electoral Area ‘G’) Pedestrian and Cycling Infrastructure Improvements

Over the past three years the Regional District of Nanaimo (RDN) has been working with staff at the Ministry of Transportation and Infrastructure to identify options to improve pedestrian and cycling infrastructure along Wembley Road in Electoral Area ‘G’. With the recent school closures in the Parksville area and the conversion of Oceanside Middle School to an elementary school, the safe passage of children along Wembley Road’s roadway has reached a critical level.

Since this past September Ministry staff have met with members from the RCMP’s Oceanside Detachment, RDN Parks staff, and officials from School District #69 (Qualicum) to review options to resolve this safety issue.

Through this process the Regional District has and will remain committed to work with the Ministry to develop paths and connectors to Oceanside Middle School using a combination of dedicated parkland, unused road allowances, and where feasible a roadside path along Lowry’s Road to ultimately connect with the E&N Rail Trail that is in the planning stages. Unfortunately, the primary issue for the safety of pedestrians and cyclists along Wembley Road still remains since a separate roadside path is not feasible due to a variety of constraints within the road allowance.

At the RDN’s Regional Board Meeting held on November 25, 2014 this matter was discussed and the following resolution was carried:

That the Ministry of Transportation and Infrastructure be requested to expand Wembley Road in Electoral Area ‘G’ to allow for a 1.5 metre wide paved shoulder for the southbound lane (Wright Road to City of Parksville boundary) and for the northbound lane (City of Parksville boundary to Wright Road to) to provide for safer passage for pedestrian and cycling use within the Road Allowance.
I cannot emphasize enough that I am looking for the Ministry to strongly consider this request from the Regional District’s Board in order to ensure that our residents have safe passage along the roadside of Wembley Road to vital community facilities including Oceanside Place arenas, services in the City of Parksville, and to schools in the Parksville area.

Thank you for your consideration to this request. Should the Ministry require more information on this matter, please contact Tom Osborne, General Manager of Recreation and Parks at 1-888-828-2069.

Sincerely,

[Signature]

Joe Stanhope
Chairperson / Director, Electoral Area ‘G’

Re: Wembley Road

Dear Joe Stanhope:

Thank you for your letter of November 28, 2014, regarding pedestrian and cycling infrastructure along Wembley Road in Parksville.

The ministry remains committed to a safe and efficient road network that supports multi-modal transportation. I understand ministry staff have met with Regional District of Nanaimo (RDN) staff, the Royal Canadian Mounted Police and officials from School District #69 (Oceanside) over the past few months to discuss pedestrian and cycling safety on Wembley Road near Oceanside Middle School. I am also advised that ministry staff recently toured the area with Michelle Stilwell, MLA for Parksville-Qualicum, to discuss safety along the corridor.

I am glad to note that as a result of these meetings, recent improvements on the corridor include the installation of a four-way stop at the intersection of Wembley and Wright roads, as well as the installation of additional “Share the Road” signs along Wembley Road, to alert drivers to the presence of pedestrians.

I have asked the ministry’s local Operations Manager, Johnathan Tillie, to arrange an opportunity to meet with you and discuss further improvements, including the RDN Board’s request for 1.5 metre shoulders on both sides of Wembley Road from the City of Parksville boundary to Wright Road.

.../2
In the meantime, should you have any further questions and concerns, Mr. Tillie can be contacted at Johnathan.Tillie@gov.bc.ca or 250 751-3287 and would be pleased to assist you.

Thank you again for taking the time to write.

Sincerely,

Todd G. Stone
Minister

SUBJECT: Monthly Update of Community Parks and Regional Parks and Trails Projects

During November and December staff have been involved with the following projects and issues.

Electoral Area Community Parks

Area A
Graffiti was cleaned off the skateboard park and wood debris was removed from the Nelson Boat Ramp.

Staff prepared and distributed the November 15th PRCC meeting agenda package, attended the meeting and prepared the meeting minutes.

Area B
The Whalebone Community Parks received a cleaning up. Old wooden chairs and other debris were removed.

Staff prepared and distributed the November 4th Area B POSAC meeting agenda package, attended the meeting and reviewed the minutes.

Staff met with the consultant for the Huxley Park Master Plan to provide feedback and suggest revisions to the draft plan.

Staff corresponded with a representative from the Huxley Ball Hockey Association regarding options for upgrading/repairing the sport court.

Staff corresponded with a representative from the Gabriola Softball Association regarding a potential location of a playground at Rollo McClay Community Park.

Area C – Extension
Staff coordinated draft design work with community members on commemorative park signs scheduled for installation in spring 2015.

Staff attended a pre-application meeting with a developer interested in rezoning and subdividing property in Extension; feedback was provided regarding potential parkland dedication/development opportunities.
**Area C - East Wellington/Pleasant Valley**
Staff met with Vancouver Island University Horticultural Program students to receive and provide feedback on their term project final presentations. Five groups presented their unique designs for the plaza and picnic area at Anders and Dorrit’s Community Park.

**Area E**
Parks staff conducted a site visit to the parkland dedication at Oak Leaf Drive. The developer was advised of required modifications.

**Area F**
Meadowood Community Park: Volunteers worked with Pickles TimberWorks to install a timberframe picnic pavilion in the park. After the roof is installed in January, final RDN Building inspection will be scheduled. A $3,000 donation was received from Coastal Community Credit Union toward the park development, as well as a $250 private donation. A bike rack, a garbage can and 11 parking curbs were installed at the park.

Drainage issues at the Dashwood 2 Fire Hall were investigated. Parks staff will meet with the Fire Hall members and quotes for the work will be requested.

At Harris Crescent staff removed garbage and debris and carried out brushing and limbing of overgrown branches.

The ditch at the Errington Farmers Market was inspected and was modified during the December storm events. A fire pit was removed from the stage area.

Staff prepared a draft trail map sign for Malcolm Community Park.

Staff prepared and distributed the November 17th Area F POSAC meeting agenda package, attended the meeting and reviewed the minutes.

Staff continued to provide support to the Silver Spur Riding Club for their Little Mountain Provincial Section 57 Trail application. Staff provided First Nations consultative advice.

**Area G**
Staff prepared and distributed the November 12th Area G POSAC meeting agenda package, attended the meeting and reviewed the minutes.

Staff attended a meeting with RDN Planning and MoTI staff regarding the Earthbank rezoning application.

The trail and stairs at Miller Road Community Park were cleared of leaves and debris. A dead tree at Maple Lane Community Park was assessed and it was removed.

**Area H**
Staff installed a log retaining wall around the newly installed swing in Henry Morgan Park. The log wall retains the Softfall playground surfacing and kids can walk on the top of the logs. The playground surfacing was installed and the area made ready for use.
Staff worked with the Director, landowners and community volunteers on the development of local skills in map making in respect of non-RDN area trails. Volunteers were trained in the use of loaner GPS units.

New maps and direction signs were installed at Oakdowne Community Park and trees were removed across the trail. The post and regulation sign was re-installed.

A new directional sign for Wildwood Community Park was installed off the Highway 19A.

A new sign was installed at Deep Bay Community Trail and the trail cleaned of leaves and debris.

**Miscellaneous**

Staff met with City of Nanaimo parks staff to review their “Volunteers in Parks” program.

Staff completed the 2015 POSAC meeting scheduling and venue booking.

**Community Works Projects**

**Area B**

Parks Staff met with two representatives from the MOTI to discuss preliminary feedback to the 85% design package for the Village Trail. MOTI would like to see any more engineering involvement in the design of the walls and guardrails that will be required. The civil and structural engineers on the project will be reviewing the design in detail following MOTI’s input and will be engaged to ensure the final design conforms with MOTI’s standards.

**Area C - Extension**

At Extension Miners Community Park work continued on the landscaping around the new bridge. Large rocks were moved from the front of the park to an area close to the bridge and shrubs and trees were planted. Two sections of split rail fence were built and regulation and no trespassing signage was installed. A concrete pad was poured and a picnic table installed.

**Area F**

Parks staff assisted with preparing the report to the Board regarding the purchase and moving of surplus portables from School District 69 to the School District lands adjacent to Meadowood Community Park.

**Area G**

Parks staff continued to look at trail connections in the French Creek area between Wembley Mall and Oceanside Elementary School. Staff will be preparing a report for consideration by the Board that itemizes the trails and proposed costs, to be covered by Community Works Funds. The Ministry of Transportation has been requested to look at opportunities to improve Wembley Rd.

**Morden Colliery Bridge**

Staff provided community members with information regarding a feasibility study for a bridge crossing over the Nanaimo River (and within the Morden Colliery Regional Trail corridor) which was approved by the Board in October.
**Regional Significant Gas Tax Project**
Consultants continue to finalize the E & N trail and drainage design. A meeting with residential stakeholders along a section of the proposed alignment was held to review the alignment. The option of locating the trail on a portion of their property, and the appropriate mechanism for doing so, is under consideration.

**Regional Parks**

**Arboretum**
Park staff removed a squatter’s tent and belongings from site. Park staff filled in old soil test pits located in the research forest.

**Arrowsmith CPR Regional Trail**
Park Staff conducted a site inspection at the trail head to look at options for the kiosk replacement. Parks Staff designed and produced a new trailhead sign to replace the existing sign on site. The information was updated and the GIS department prepared a new map. The sign will look similar to the trailhead kiosks located at other sites. Production is underway and installation will likely occur in the spring.

**Beachcomber Regional Park**
A new kiosk was installed at the park entrance. A regulation sign was re-installed further down the trail. Garbage was removed from site. A restoration planting was completed for the area of the newly installed information kiosk.

Parks staff drafted a Terms of Reference for the first Management Plan for this regional park. The Terms of Reference will require Board approval to proceed. The intent is to prepare the management plan, including all associated public consultation, in-house by RDN staff. Specialized consultants in ecology and archaeology will be retained to provide preliminary baseline data for the park. It is anticipated that the management planning process will get underway in the spring of 2015.

**Benson Creek Falls Regional Park**
Park staff conducted park inspections, maintained trails and removed garbage from the parking lot. Staff redecked a couple of the bridges on the Weigles Rd. side of the park.

Parking patterns continue to be monitored at Jameson Road and the upgraded Creekside Place Community Park parking lot. Local residents continue placing NO PARKING flyers on vehicles still parking on Jameson Road. Staff responded to public inquiries about the new signs and are in discussions with MOTI and the RCMP regarding potential next steps for enforcement and towing.

**Big Qualicum Regional Trail**
Park staff conducted trail inspections.

**Coats Marsh Regional Park**
Park staff conducted park inspections.

**Descanso Bay Regional Park**
Park staff conducted park inspections.
**Englishman River Regional Park**
Park Staff carried out routine inspections of Englishman River Regional Park and Top Bridge Park. Staff responded to maintenance issues identified by the Volunteer Park Warden including; garbage issues, ATV trespass, vandalism, graffiti and suspect hazardous trees.

Staff removed fallen and hanging trees throughout the trails. Two new posts and trail directional signage were installed. Park Staff assessed a possible stair location in the park.

**Horne Lake Regional Park**
Park staff conducted park inspections and reviewed project progress.

**Lighthouse Country Regional Trail**
Parking lot upgrades were completed at the Lioness trailhead. Trail inspections were done on the main and north loop. Staff installed the new directional sign off the old Island highway for the north loop. The main trail and bridges were cleared of leaves and debris. Erosion caused by severe rain was repaired along the trail.

**Little Qualicum River Estuary Regional Conservation Area**
Park staff conducted park inspections. Under PUP, parks staff worked with BCCF, Qualicum Beach Streamkeepers and DUC to install deer fencing and 1,000 native plants at the Estuary over a 2-day period. Staff provided background information for a feature article written up in the Oceanside Star. DUC will prepare monitoring protocols for the project and BCCF will work with QB Streamkeepers to maintain the plantings over the first years. Fencing is to be removed by BCCF after plants reach above deer-browse height.

The Mid-Island Guardians were advised by RDN (in consultation with DUC) that the last installment ($10K) will be dispersed after receipt of the Goose Strategy, which is anticipated by March 2015.

**Little Qualicum River Regional Park**
Parks Staff drafted a report on the current status of the bridge over the LQR, within the LQRRP. An engineering assessment will provide cost estimates for improvements to the bridge and recommendations on its repair or replacement. Park staff conducted ditch maintenance and repaired the culvert at the parking lot.

Park staff conducted park inspections and maintained trails.

**Moorecroft Regional Park**
Park staff conducted park inspections and maintained trails. Staff contracted repairs to the Caretaker House washroom. A dedication bench (Michael’s bench) that broke loose from its foundation during the December king tides was rescued by Park staff. The family was informed and staff will re-secure the bench on higher ground at Cooks Point.

Coastal Animal Services continues to conduct regular off-leash patrols of the main trails of the park. Verbal warnings (3) and written warning notices (1) are now being issued. A dog brochure is being developed to further communicate the leash rule to visitors.
Morden Colliery Regional Trail
Park staff re-installed a post and no trespassing sign at the end of trail. The trail was cleared of leaves and debris. Park staff re-installed the fence and the bench at the Nanaimo River due to more erosion that occurred during high water events.

Mount Arrowsmith Massif Regional Park
Park staff conducted park inspections.

Mount Benson Regional Park
A contractor built the Old Road Loop Trail. Park staff conducted park inspections.

Staff continued to work with park partners NALT on a park conservation covenant. Legal input obtained by both RDN and NALT, and research into other covenants carried out. A revised draft was prepared and submitted to RDN lawyers.

Nanaimo River Regional Park
Park staff sprayed the newly planted trees with deer repellant. A new section of split rail fence was added to existing fence where the river bank is eroding.

Parksville - Qualicum Links
Park staff conducted trail inspections.

Top Bridge
Park staff conducted park inspections. Park staff installed a new post and signs up at the PV parking lot.

Trans Canada Trail
Park staff conducted trail inspections.

Staff continued to liaise with TCT BC representatives and neighbouring jurisdictions on signing the road portion of the route as concerns the 2017 25th anniversary goal to see the TCT connected across Canada in time for 150th anniversary celebrations.

Witchcraft Lake Regional Trail
Park staff conducted trail inspections.

Fairwinds Lakes District - Regional Park Management Plan
In November, staff coordinated the first Advisory Committee meeting, and the first Open House event, which included the revision of presentation panels by consultants, event promotion such as poster design and distribution, paper ad placements, social media updates, and the development of a project website and online survey.

In December, staff continued to work with project consultants on draft plan and public survey review, media updates and stakeholder consultation. A second Open House event is scheduled for March 2015.

Miscellaneous
Playground inspections were completed. Thin ice signs were installed at various Regional and Community Parks.
Staff continued to provide support to several in-camera land acquisitions for potential regional and community park.

Staff assisted the Ministry of Transportation and Infrastructure in their most recent examination of potential road development between Port Alberni and the Horne Lake area.

Staff updated the All Parks inventory, distributed it to other departments, and began work on parks statistics.

Staff posted invites to the Fairwinds Open House at various park locations throughout the district.

Staff liaised with Chief Recalma of the QFN regarding their assistance in confirming support for a heritage trail through Horne Lake by FN groups to the west.

**Bear and Cougar Awareness**

Many people understand they ought to be aware of cougars and bears while visiting RDN parks and trails. Some people however, do not realize they may encounter these animals while in our parks. Conservation and ensuring habitat protection is a high priority for all parks. In an effort to remind park visitors that they may see large wildlife while visiting parks, staff produced stickers that will be placed on existing kiosks and signs. A QR Code on the sticker will direct those who are interested to the RDN website to learn more and review typical recommended responses in the event of an encounter with either animal.

**2015 Budget Development**

Work continued on the 2015 budget. Meetings were held with the Electoral Area Directors and the budget revised accordingly.

**Park Use Permits and Events**

On December 14th the 115th Annual Christmas Bird Count was conducted at ERRP by volunteers and members of the Arrowsmith Naturalists.

Parks staff consulted with the Recreation Department in the development of new recreation programming in RDN Parks, to be delivered by RLC Park Services over a 3-year term. New offerings include Junior Ranger programs, teen trail running, birthday parties in parks, summer day camps and school field trip bookings. At no cost to the Parks Department, these new programs will more fully utilize regional parks such Moorecroft, Englishman River, Lighthouse Country and Big Qualicum Regional Trails.

Parks staff assisted RDN Recreation Department with the set-up of the annual Winter Wonderland at Oceanside Place.

**Website and Communications**

Staff compiled content and created a new webpage to remind park visitors that RDN Parks are home to bears and cougars. The website is linked to the stickers that will be located on existing kiosks and signs.

Parks staff prepared RDN community and regional parks promotional information for the Spring/Summer 2015 Active Living Guide.
Staff gave a presentation on RDN Parks at the regular November meeting of the Nanoose Naturalists.

Staff briefed the new Nanoose Probus walking group on area trails and use of the RDN webmap.

**RECOMMENDATION**

That the Parks Update Report for November and December 2014 be received as information.

_______________________                                                ___________________________
Manager of Parks Services                 General Manager Concurrence
RECREATION AND PARKS SERVICES

Parks Services:

- Development of the Park and Trails Guidelines.
- Permit applications were processed and issued for community events, tours, and commercial filing for parks and trails system.
- Lease for new Parks Operations Building negotiated and signed.
- Completed maintenance, safety inspections, cleanup, and repair of all Community and Regional Park sites.
- Continued working with partners, operators, contractors and caretakers to deliver parks services.
- Continued to respond to requests for information and support from Committees, RDN Board, other local governments and residents.
- Assisted in the completion of the RDN Asset Management report.
- Developed the preliminary 2015 Budget.
- Park Assessments:
  - Completed assessments, meetings, reports and negotiations for potential parklands in various Electoral Areas;
  - Negotiated a Licence of Use for Meadowood School Site;
  - Negotiated a Licence of Use for French Creek School Site.

Community Parks:

- Completion and opening of the Cedar Skate and Bike Park (EA A).
- Repairs completed to the edge of the Nelson Road Boat Launch (EA A).
- Whalebone Community Park clean and reclaim of entrances completed (EA B).
- Old wells at Whalebone Community Parks were decommissioned (EA B).
- Completed berm around Rollo Water Reservoir (EA B).
- Completed agreement and gate install at 707 Community Park (EA B).
- Worked with GALT to install a new trail in Cox Community Park (EA B).
- Preliminary design completed for the Village Trail (EA B).
- Completed a building assessment of the Extension School (EA C Extension).
- Worked with the community to install a covered bridge and trail in Extension Miners Community Park (EA C Extension).
- Completed a community consultation at Anders Dorrit Community Park (EA CEW/PV).
- Completed assessment of roadside trail options along Jingle Pot (EA CEW/PV).
- Completed drainage improvements and plantings at Errington CP (EA F).
- Completed the detailed design, tender and install of an adventure playground and sport court at Meadowood Way Community Park (EA F).
- Completed assessment of roadside trail options in French Creek (EA G).
- Completed swing install at Henry Morgan Community Park (EA H).
- Assisted volunteers to clear the Essay Road Trail (EA H).
- Assisted volunteers with GPS work on Area H Trails (EA H).
- Completed a funding agreement for Lighthouse Centre Capital Upgrades (EA H).
- Installed signs in Oakdown Community Park (EA H).
• Installed ramp to beach at Shoreline Drive Beach Access (EA H).
• Ongoing support to Community Park Advisory Committees (all EA’s).
• Ongoing support for review of subdivisions, park land dedications and acquisitions (All EA’s).

Regional Parks and Trails:

• The Regional Parks Brochure was updated, printed and distributed.
• Beachcomber:
  - Kiosk designed and installed.
• Benson Creek Falls Regional Park:
  - The Management Plan was completed for Board approval in January;
  - Designed and installed parking upgrades at Jamison Road;
  - Park lease renewal negotiated for 30 years.
• Coats Marsh Regional Park:
  - The flood mitigation berm was completed and a new pond leveler was installed.
• Descanso Bay Regional Park:
  - Completed projects include road and campsite upgrades.
• E&N Trail:
  - Preliminary assessments completed;
  - Applications made to MOTI and ALR;
  - Design completed to 50%.
• Fairwinds- Lakes District Regional Park:
  - Concluded park dedication phasing and development agreements as part of rezoning of the
    Fairwinds Lakes District Lands;
  - Commenced the development of the Parks Management Plan for the Regional Park per the
    Phased Development Agreement with Fairwinds;
• Horne Lake Regional Park:
  - New generator was purchased and installed;
  - Completed projects include new road and campsite development, campsite upgrades, caretaker
    house repairs, trail signage;
  - Highway signs and the Horne Lake Road directional signs were replaced.
• Lighthouse Country Regional Trail:
  - Completion of staging area at Lighthouse Community Park Entrance;
  - Interpretive signs developed and installed.
• Little Qualicum River Regional Park:
  - Bridge assessment and legal advice obtained for transfer of easement back to the RDN;
  - ATV control and signage installed.
• Little Qualicum River Estuary Regional Conservation Area:
  - Continued working with partners on invasive plant removal; worked with partners to install
    three plant enclosures.
• Morden Colliery Regional Trail:
  - Report and assessment on bridge options over the Nanaimo River was completed;
  - Completed repairs and upgrades to the Thatcher Creek Bridges.
• Moorecroft Regional Park:
  - Trails upgraded;
  - Boat house roof replaced;
  - Completed building assessment of Kennedy Hall;
- renovated the bathroom in the caretaker's house;
- arranged for animal control to visit the park to help with dog off leash issues;
- installed trail signage.

- **Mount Benson Regional Park:**
  - the Witchcraft Lake Trail Agreement yearly report was completed;
  - the emergency access road was upgraded;
  - trails in park were developed and upgraded.

- **Nanaimo River Regional Park:**
  - removed broom and planted 100 new trees.

- **TransCanada Trail:**
  - trail realigned after consultation with equestrian group and land owners;
  - licence renewal completed.

- **Park Assessments:**
  - completed three assessment and Board reports for regional parkland.
