

Benson Creek Falls Regional Park Bridge Replacement and Trail Closure

A section of trail within Benson Creek Falls Regional Park will be closed October 16 - 30, 2023 for a bridge replacement. Visitors to the park will not be able to access Ammonite Falls from the Weigles Rd. parking lot during this time. Alternate access to the falls is available from the Creekside Place parking lot via the Ammonite Falls Regional Trail.

For your safety, do not use the closed section of trail, remain alert to construction activities when using the park and obey personnel and signs posted on site.
