

Notice of Construction at 2030 Claudet Road, Nanoose Bay

The Regional District of Nanaimo (RDN) has contracted David Stalker Excavating to undertake preliminary construction for a future water infrastructure project in Nanoose Bay (Electoral Area E). Work at 2030 Claudet Road is expected to take place during daylight hours in March and April 2024. Low levels of construction noise can be expected. There will be no interruption to local utility services or traffic flow while the work is taking place.

For your safety and the safety of the work crews, please remain alert to work activities and obey posted signs.

Please visit rdn.bc.ca/nanoose-bay-peninsula for more information about the Nanoose Bay Peninsula Water Service Area. Sign up for water and sewer system alerts via email or text at rdn.bc.ca/voient-alert.
