By signing, I declare that the information provided herein is true and complete, and I understand that it will be used by the Regional District of Nanaimo (RDN) to determine approval for the acceptance of household hazardous waste (HHW). I acknowledge that the RDN will disclose to the Generator the cost to dispose of the Generator's HHW.

The Rights of the RDN

The RDN HHW program is open to RDN residents (residential generators) only. All loads will be inspected and audited. Haulers must handle HHW in a safe and responsible manner at RDN facilities. The RDN has the right to refuse items or loads at their discretion, for reasons including, but not limited to:

- Suspected business hazardous waste
- HHW generated outside of the RDN
- Excessively large amounts of HHW
- Unsecured loads
- Excessive spillage
- Prohibited items
- Non-manifested items
- Unregistered items
- Unsafe handling
- Aggressive behaviour

Personal Information and Records Retention

Information collected on this submission is done so under the general authority of the Freedom of Information and Protection of Privacy Act (FOIPPA) and is protected in accordance with FOIPPA. Personal information will only be used by authorized staff to fulfill the purpose for which it was originally collected, or for a use consistent with that purpose. The information on this form will be kept according to the RDN records retention policy.
