Addendum #1: Request for Proposals

Professional Engineering Services

For The

The Nanoose Water Treatment Plant Back-up Generator

Issue Date: September 25th, 2018

This addendum (Addendum #1) is a compilation of questions received from possible proponents up to 4:30pm on September 24th, 2018, and the answers to these questions.

1) ***Question:***
   Will the RDN prepare the 'front-end' tender documents including the general and supplemental conditions, instructions to bidders, etc.?

   Answer:
   No, the successful proponent is expected to prepare all the necessary tender documents.

2) ***Question:***
   Will the RDN be responsible for posting the tender to BC Bid or other tendering sites/facilities?

   Answer:
   Yes, the RDN will post the tender to BC Bid and to the RDN website.
