

REQUEST FOR TENDER No. 19-058

Conventional Transit Bus Tire Related Services

Addendum 1

Issued: September 17, 2019

Closing Date & Time: on or before 3:00 PM Pacific Time on September 25, 2019

Clarification:

The RDN does not want vendors to buy and supply tires.

The RDN will be purchasing the tires directly on the RDN's national account. The RDN is looking for a vendor that can provide us with the necessary tire related services for the tires and retreads as described in the RFQ document.
