

Curbside collection service disruptions continue, please see the updated table below. Residents should have their Recycling Carts and Garbage Carts set out by 8 a.m. on their Rescheduled Collection Day.

The Rescheduled Collection Day is the earliest day crews will begin collecting your area, subject to safe road conditions. Collection is on a rolling sequence following the order routes were missed. If still not collected by 5 p.m. on your Rescheduled Collection Day, please continue to set your carts out between 8 a.m. to 5 p.m. the following days, until they are emptied.

Please note: Food Waste Carts will not be collected on the Rescheduled Collection Days.* We apologize for the inconvenience, and thank all RDN residents for their continued patience and understanding over this prolonged service disruption. Regular scheduling is resuming on Thursday, January 13. Another update will be posted at 4:30 p.m. on Wednesday, January 12.

**Exception: A Food Waste Cart collection day for RA routes has been added on Saturday, January 15 to accommodate for the longest service disruption.*

Free Drop Off at RDN Solid Waste Disposal Facilities

Due to the extended delays in curbside service, the RDN is offering free drop off for residents’ curbside waste at the Regional Landfill, Church Road Transfer Station (Parksville), and a temporary site on Gabriola Island.

Residents taking advantage of this free drop off should be prepared to provide identification and address, including postal code. Follow all signage, staff direction and other site protocols. RDN Solid Waste Disposal Facilities are following provincial public health orders, please be prepared with a mask.

Reasonable amounts of household waste will be accepted and should be separated according to waste streams on site (refer to table below). The free residential drop off at Regional Landfill and Church Road Transfer Station will be available until curbside service resumes regular scheduling.

Frequently Asked Questions

- ***I just received my 2022 Curbside Collection Schedule in the mail. Should I follow my collection days on the mailed schedule, or what is posted on the RDN website and RDN Curbside app?***
Please follow the Reschedule Collection Days as posted on this service alert, our online collection schedule at rdn.bc.ca/curbside and the RDN Curbside app.

- ***I haven't received my 2022 Curbside Collection Schedule in the mail, when will I be receiving it?***
The 2022 Curbside Collection Schedules have been delivered to Canada Post, and should be received in the mail this week or early next week.
- ***What should I do with my Food Waste?***
Between the near freezing temperatures, two times increase in capacity and locking lids on the new automated Food Waste Carts, the large majority of our 29,500 households receiving service should manage until the regular collection schedule resumes the week of January 10. An option for excess food waste is to place it bagged in the freezer or, alternately, it may be necessary to place excess food waste in the garbage carts during this service disruption.
- ***Can I put out extra recycling and/or garbage beside my carts?***
No, we will not be collecting any waste other than what fits inside your RDN-issued Recycling Cart and Garbage Cart, with the lids fully closed. Follow normal cart set out procedures, ensuring carts are spaced one meter (3 ft) apart.
- ***What should I do if my carts remain full by the end of my Rescheduled Collection Day?***
Please set them out again the following days from 8 a.m. to 5 p.m., until emptied.
- ***Why was collection cancelled?***
Especially given the freeze-melt road conditions, safety is our top priority. In dry road conditions, the stopping distances of an empty collection vehicle is over double that of a passenger vehicle. Snow and ice can multiply these stopping distances by ten. Our collection vehicles make an average of over 700 stops per day, so snow and ice puts collection crews and other road users at major risk.
- ***Can I get service updates sent to me directly?***
Residents receiving RDN curbside collection services are encouraged to sign up for service alert notifications. This way you'll know directly if there are service changes.

Follow the instructions below to sign up for **email** or **phone call** updates, or download the free "RDN Curbside" app on your Apple or Android device. Residents can call our office at 250-390-6560 for assistance in setting up phone call reminders.

- Go to our website: rdn.bc.ca/curbside
- Enter your address into the calendar search form and press search
