

## RDN South Wellington School Long Term Lease - Alternative Approval Process

The Regional District of Nanaimo (RDN) and Nanaimo Ladysmith Public Schools (SD68) have agreed in principle to a 25-year lease of the South Wellington School site. The lease would allow for the former school and the surrounding property to be operated as a community center. Due to the length of the lease, consent from the electors of Electoral Area A must be sought through the Alternative Approval Process before the lease can be completed.

The Alternative Approval Process runs from January 5, 2022 to 4 p.m. on February 14, 2022. Residents of Electoral Area A who oppose the proposed lease can submit an Elector Response Form during this time period and residents who support the lease do not need to take action.
