

## Water Service Interruption in the Nanoose Bay Peninsula Water Service Area

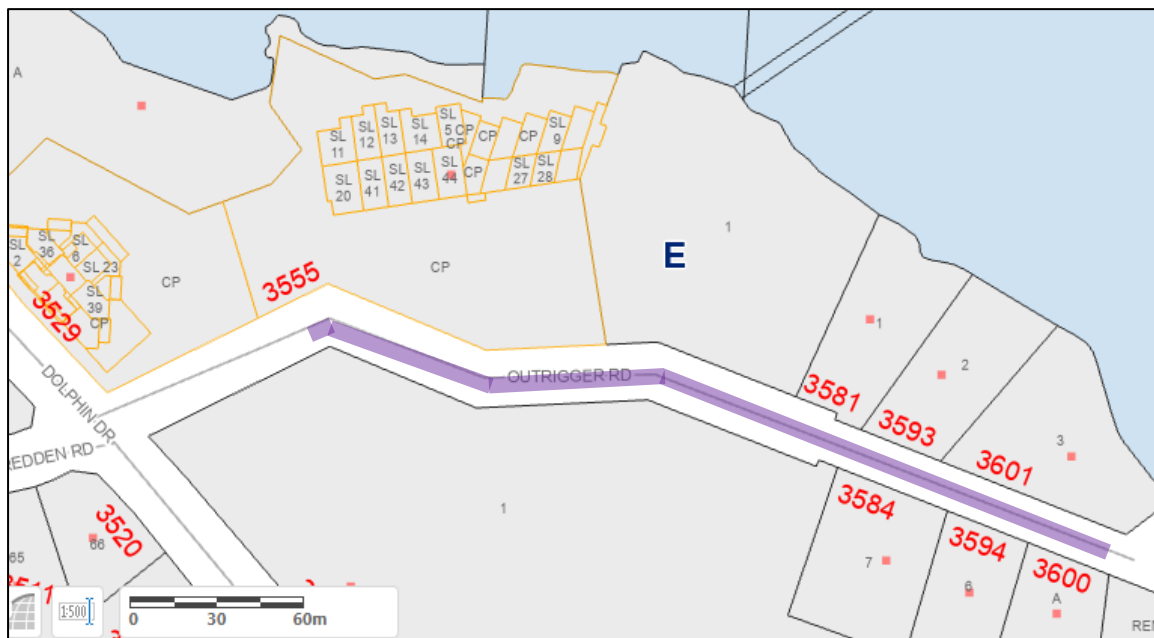

Regional District of Nanaimo (RDN) water service will be temporarily interrupted in the following area while improvements to the water system are being made.

**3581 – 3610 Outrigger Road (excluding the strata and condos)**

**February 9, 2022, from 9 a.m. to 2 p.m.**

The above time period is not definite. The RDN will endeavor to have the water service back as quickly as possible after the shutdown occurs. Please have water on standby for all domestic use.

When service is resumed, the water may be discoloured. This is due to disturbed deposits in the pipes and is not harmful. The RDN is not responsible for any damage resulting from interrupted service.
